Mr. Sibanda,

I assure you that we have evaluated the merits of your alleged infringement claim based on objective legal analysis. As I noted in prior correspondence, Skydance is not making a monetary offer to settle this case. As I also noted in my prior correspondence, if you decide you are willing to agree to a mutual release, with no payment to you, but a waiver of any fees and costs to which Skydance is entitled, please let me know and I will discuss it with our client.

Please note that we filed the attached notice of non-opposition today to let the court know we will not oppose your request to file a renewed motion to dismiss. However, we will oppose your renewed motion to dismiss once filed.

Best,
Ashlee
